Notice of Non-Renewal and Resignation of Associate Membership

To Whom It May Concern:

I am a current member of the Columbia University Club of New York (Columbia Club). I understand that the Princeton Club of New York (Princeton Club) is taking the position that it has the right to automatically renew as "associate members" all members of the Columbia Club who were associate members of the Princeton Club at the time the Columbia Club terminated its relationship with the Princeton Club. I disagree. However, for the avoidance of doubt, I hereby notify you that I do not wish to renew my associate membership with the Princeton Club following the expiration of the current term of my membership on June 30, 2017 and that I am resigning my associate membership in the Princeton Club, effective June 30, 2017.

Please send written confirmation of my non-renewal and resignation to my address listed above.

Very truly yours,
